REF.:

11001000000035324468 de fecha 15/10/2022

11001000000035489229 de fecha 25/11/2022

Respetados señores,

JOSE RAUL HERNANDEZ ORJUELA, mayor de edad, identificado como aparece al pie de mi respectiva firma; invocando el derecho de petición, consagrado en el Artículo 23 de la constitución Política de Colombia, y en los Artículos 13 y concordantes del Código de Procedimiento administrativo y de lo contencioso administrativo (**C.P.A.C.A**), respetuosamente formulo ante usted la siguiente petición:

Fundamentado en lo anteriormente expuesto me permito solicitar ante este despacho se sirvan ordenar la **REVOCATORIA DIRECTA, EXONERACION** del pago por el referido foto comparendo, y su **DESANOTACION** de mi estado de cuenta, en razón a la **INDEBIDA NOTIFICACION**, dado que la información del mismos, **NUNCA** fue enviada a mi dirección de residencia.

HECHOS

1. Es de resaltar que el comparendo referido no se notificó correctamente debido a un error por parte de la entidad, ya que en la carpeta del vehículo registrada ante el SIM, evidencia que en mi deber y responsabilidad en cuanto a la actualización y registro de datos no he faltado como propietario, puesto que allí quedaron registrados correctamente, por esta razón solicito se sirvan responder conforme la verificación de los datos en mención, esto como **parte de su deber ante mi derecho fundamental, con una RESPUESTA DE FONDO Y CLARA** en relación al proceso actual.

2. Así las cosas, estamos ante la presencia de un comparendo electrónico, que me fue impuesto como evidencia de una supuesta infracción a las normas contenidas en el Código Nacional de Tránsito, por ello correspondía a la autoridad competente elaborar un comparendo digital que es verificado y firmado por un funcionario del tránsito y que posteriormente debía ser enviado al domicilio del propietario del vehículo para su notificación en los términos del artículo 22 de la ley 1383 de 2010 (3 días hábiles) ni el artículo 8 de la ley 1843 del año 2017 (3 días hábiles).

3. Es claro que la entidad de tránsito no me notificó, de tal modo que no me entere de la existencia de la sanción por infracción de tránsito que me fue impuesta, comparendo respecto del cual no he sido notificado dentro de los términos establecidos por la Ley 1383 de 2010 en su Artículo 135. Procedimiento.

Por lo anterior cabe formular los siguientes interrogantes:

¿Por qué no se tuvieron en cuenta las disposiciones de la ley 1383 de 2013 que reformo la Ley 769 de 2002 “Código Nacional de Tránsito y se dicta otras disposiciones”, toda vez que no me fue enviada a mi dirección de notificación, la respectiva copia del referido foto comparendo, tres días hábiles siguientes a su imposición, como lo ordena dicha norma?

Lo anterior se constituye en una clara vulneración a mi derecho al debido proceso según el art. 29 de la Constitución Política Nacional: *El debido proceso incluye la **DEBIDA NOTIFICACION**, sin la cual no se puede surtir el **DEBIDO***

CONOCIMIENTO, la **DEBIDA RESPUESTA y por si fuera poco, el **DEBIDO DESCUENTO** ofrecido a cualquier infractor mediante la **asistencia a curso pedagógico....**** Todas cosas que van en “detrimento” de mi patrimonio, “deterioro” a mi patrimonio y “lesión” a mi patrimonio por la negligencia de su sistema de notificación, ampliamente demostrada mediante el presente escrito. Además si se tiene en cuenta que los edictos no son medios de comunicación adecuados para que los conductores se den por enterados de los comparendos electrónicos, según la Sección cuarta del Consejo de Estado, debido a que según la Ley 1383 del 2010, se afirma que los comparendos realizados por medios electrónicos deben ser notificados por correo certificado.

Así entonces, es importante recordarle a la Dirección de Tránsito, que concordante con el principio de legalidad, el debido proceso es un principio en el cual toda persona tiene derecho a ciertas garantías mínimas, tendientes a asegurar un resultado justo y equitativo dentro del proceso o una actuación administrativa, y de permitirle tener oportunidad de ser oído y hacer valer sus pretensiones frente a la autoridad competente en pro de la búsqueda de justicia social, dentro de los postulados fijados en la norma aplicable.

Por tal razón, es importante que se me respete el procedimiento requerido para la aplicación del acto administrativo, especialmente en materia del cumplimiento de los

términos de ley, permitiendo un equilibrio en las relaciones que se establecen entre la administración y los particulares, en aras de garantizar decisiones de conformidad con el ordenamiento jurídico por parte de la administración.

Es de señalar que para las situaciones no reguladas en las normas de tránsito, es aplicable las normas contenidas en los códigos que señala el artículo 162 del Código Nacional de Tránsito Terrestre (Ley 769 de 2002), que preceptúa:

ARTÍCULO 162.- Compatibilidad y Analogía. Las normas contenidas en el Código de Procedimiento Administrativo de lo contencioso Administrativo, Código Penal, Código de Procedimiento Penal, Y Código de procedimiento Civil, serán aplicables a las situaciones no reguladas por el presente código, en cuanto no fueren incompatibles y no hubiere norma prevista para el caso en análisis..." (Negrilla fuera de texto)

Para el caso, es importante resaltar que de acuerdo con la jurisprudencia y la doctrina, la revocatoria directa, es, "...la facultad de la Administración para hacer desaparecer o modificar de la vía jurídica, los **actos** que ella misma ha expedido con anterioridad, siempre y cuando estos actos sean manifiestamente contrarios a la Constitución o la ley, que no se encuentren conformes con el interés público o social y finalmente cuando con ellas se causa un agravio injustificado a una persona"

De lo anterior, se colige que para proceder a la aplicabilidad de la figura jurídica de revocatoria directa en materia de tránsito, se debe dar cumplimiento a lo normado en el Código de Procedimiento Administrativo y de lo Contencioso Administrativo, que regula lo concerniente a esta materia.

"ARTÍCULO 93. Causales de revocación. Los actos administrativos deberán ser revocados por las mismas autoridades que los hayan expedido o por sus inmediatos superiores jerárquicos o funcionales, de oficio o a solicitud de parte, en cualquiera de los siguientes casos:

1. Cuando sea manifiesta su oposición a la Constitución Política o a la ley.
2. Cuando no estén conformes con el interés público o social, o atenten contra él.
3. Cuando con ellos se cause agravio injustificado a una persona.

ARTÍCULO 94. Improcedencia. La revocación directa de los actos administrativos a solicitud de parte no procederá por la causal del numeral 1 del artículo anterior, cuando el peticionario haya interpuesto los recursos de que dichos actos sean susceptibles, ni en relación con los cuales haya operado la caducidad para su control judicial.

ARTÍCULO 95. Oportunidad. La revocación directa de los actos administrativos podrá cumplirse aun cuando se haya acudido ante la Jurisdicción de lo Contencioso Administrativo, siempre que no se haya notificado auto admisorio de la demanda.

Las solicitudes de revocación directa deberán ser resueltas por la autoridad competente dentro de los dos (2) meses siguientes a la presentación de la solicitud.

Contra la decisión que resuelve la solicitud de revocación directa no procede recurso.

Parágrafo. No obstante, en el curso de un proceso judicial, hasta antes de que se profiera sentencia de segunda instancia, de oficio o a petición del interesado o del Ministerio Público, las autoridades demandadas podrán formular oferta de revocatoria de los actos administrativos impugnados previa aprobación del Comité de Conciliación de la entidad. La oferta de revocatoria señalará los actos y las decisiones objeto de la misma y la forma en que se propone restablecer el derecho conculcado o reparar los perjuicios causados con los actos demandados. Si el Juez encuentra que la oferta se ajusta al ordenamiento jurídico, ordenará ponerla en conocimiento del demandante quien deberá manifestar si la acepta en el término que se le señale para tal efecto, evento en el cual el proceso se dará por terminado mediante auto que prestará mérito ejecutivo, en el que se especificarán las obligaciones que la autoridad demandada deberá cumplir a partir de su ejecutoria.

ARTÍCULO 96. Efectos. Ni la petición de revocación de un acto, ni la decisión que sobre ella recaiga revivirán los términos legales para demandar el acto ante la Jurisdicción de lo Contencioso Administrativo, ni darán lugar a la aplicación del silencio administrativo.

ARTÍCULO 97. Revocación de actos de carácter particular y concreto. Salvo las excepciones establecidas en la ley, cuando un acto administrativo, bien sea expreso o ficto, haya creado o modificado una situación jurídica de carácter particular y concreto o reconocido un derecho de igual categoría, no podrá ser revocado sin el consentimiento previo, expreso y escrito del respectivo titular.

Si el titular niega su consentimiento y la autoridad considera que el acto es contrario a la Constitución o a la ley, deberá demandarlo ante la Jurisdicción de lo Contencioso Administrativo.

Si la Administración considera que el acto ocurrió por medios ilegales o fraudulentos lo demandará sin acudir al procedimiento previo de conciliación y solicitará al juez su suspensión provisional.

Parágrafo. En el trámite de la revocación directa se garantizarán los derechos de audiencia y defensa.

Cabe precisar que según el Código Nacional de Tránsito, en su artículo 129 menciona en su parágrafo 1 "Las multas no pueden ser impuestas a personas distintas a quienes cometen la infracción" y el Código Penal Colombiano en su Código 21 señala en su principio de causalidad que la sanción no es aplicable si no en consecuencia de su acción o de su omisión, se refiere al sujeto a quien se pretende hacer la imputación, citando nuevamente el Código Nacional de Tránsito en su artículo 122 dice que las

acciones se impondrán al responsable, y citando nuestra constitución nacional Ley de Leyes, en su artículo 29 como principio de presunción de inocencia.

Por tal motivo, amparado en la constitución, el código penal y el código nacional de tránsito, señalo que la foto multa en mención, solo muestra el vehículo cometiendo La infracción, pero no la persona determinada o imputada para este cargo; y amparados en la sentencia del juzgado 20 penal del circuito de Medellín, solicitada por el abogado Benjamín Higueta se aplique el principio constitucional de igualdad, para que de manera inmediata se verifique y se elimine esta foto multa.

Me apegó a los términos señalados por la constitución en su artículo 23 so pena opere el silencio administrativo positivo al vencimiento de los mismos.

CONCLUSIÓN

- 1.- Que se revoque el acto administrativo de contenido particular se me exonere del pago, por medio del cual me declaran infractor de las normas de tránsito a consecuencia de los Comparendos de la referencia, por las razones que se exponen en la parte motiva de la presente petición.
2. En el evento de ser negada mi solicitud, le solicito se sirva informar las razones de orden legal ajustadas a los derechos fundamentales y los fallos de la Corte Constitucional que sustentan la decisión.
3. les solicito que hagan el debido proceso al revisar directamente ante su entidad las direcciones que se ha registrado con ese vehículo.
4. Solicito por favor, copia de la guía o prueba de entrega del comparendo en mención, legible.
5. Solicito por favor, en caso de que sea negada mi solicitud, se restablezcan los términos para optar a mi derecho a la defensa e iniciar un nuevo proceso de impugnación.

	Aviso		
11001000000035324468	195	28/10/2022	04/11/2022
11001000000035489229	199	28/12/2022	04/01/2023

Como consecuencia de lo anterior, la notificación de esa orden de comparendo se surtió a la terminación del día hábil siguiente a la des-fijación del aviso, por lo que a partir de allí empezaron a correr los términos de los que trata el artículo 136 de la Ley 769 de 2002, modificado por el artículo 205 del Decreto 019 de 2012.

En cuanto a la notificación por otros medios como el correo electrónico o vía celular, se aclara que, esta no es obligatoria, toda vez que para la notificación de comparendos electrónicos existe un procedimiento especial y preferente señalado en el artículo 137 de la Ley 769 de 2002 y el artículo 8 de la Ley 1843 de 2017. Así mismo, el artículo 56 de la Ley 1437 de 2011 establece que, para que se pueda surtir la notificación por correo electrónico debe existir una autorización por parte del interesado, razón por la cual para el caso de la notificación de comparendos electrónicos no se agota este tipo de notificación.

Notificado el ciudadano de la orden de comparendo, de acuerdo con lo expuesto anteriormente, se informa que, si su intención era controvertir la orden de comparendo impuesta, debió tener en cuenta el artículo 8° de la Ley 1843 de 2017, el cual le ordenaba presentarse ante la autoridad de tránsito competente dentro de los once (11) días hábiles siguientes a la notificación del comparendo

Para el caso en comento, se evidenció que las ordenes de comparendo **antes descritas** fueron legalmente notificada el concluyéndose que, el ciudadano tuvo la oportunidad de controvertirla dentro de los once (11) días hábiles para acudir ante autoridad de tránsito competente en aras de impugnar y exponer sus motivos de inconformidad, so pena de que la autoridad de tránsito continuará con el proceso contravencional de manera oficiosa.

Lo anterior, de conformidad con lo establecido en el artículo 136 de la Ley 769 de 2002, modificado por artículo 205 del Decreto 19 de 2012, que consagra lo siguiente:

“Artículo 136 modificado por artículo 205 del Decreto 19 de 2012.
Reducción de la Multa. Una vez surtida la orden de comparendo, si el inculpado acepta la comisión de la infracción, podrá, sin necesidad de otra actuación administrativa:

(...)

Si el inculpado rechaza la comisión de la infracción, deberá comparecer ante el funcionario en audiencia pública para que éste decrete las pruebas conducentes que le sean solicitadas y las de oficio que considere útiles.

Si el contraventor no compareciere sin justa causa comprobada dentro de los cinco (5) días hábiles siguientes a la notificación del comparendo, la autoridad de tránsito, después de treinta (30) días calendario de ocurrida la presunta infracción, seguirá el proceso, entendiéndose que queda vinculado al mismo, fallándose en audiencia pública y notificándose en estrados.

En la misma audiencia, si fuere posible, se practicarán las pruebas y se sancionará o absolverá al inculpado. Si fuere declarado contraventor, se le impondrá el cien por ciento (100%) de la sanción prevista en la ley.” (negrilla del despacho) ”.

Así las cosas, considerando que el peticionario no compareció en términos procesales ante la Autoridad de Tránsito para impugnar el comparendo analizado, el funcionario de conocimiento continuó con el proceso administrativo sancionatorio respectivo y expidió la Resolución Sancionatorias en la que declaró contraventor de las normas de tránsito al señor **JOSE RAUL HERNANDEZ ORJUELA**.

Comparendo	Resolución	Fecha Fallo
11001000000035324468	2431147	16/12/2022
11001000000035489229	86323	13/02/2023

Debe tener presente que la notificación en estrados está determinada por el artículo 294 del C.G.P. como: ***“Las providencias que se dicten en el curso de las audiencias y diligencias quedan notificadas inmediatamente después de proferidas, aunque no hayan concurrido las partes”.*** (negrilla del despacho)

De esta manera, para el día de presentación de su petición los términos para acudir a audiencia pública se encontraban vencidos por lo que **es improcedente agendar cita de impugnación a la fecha**. Igualmente, verificadas las bases de información de esta Secretaría **no se encontró que hubiere presentado justa causa de su inasistencia**.

En este orden de ideas, es pertinente explicar al solicitante que el Derecho de Petición (**entendiéndose este como todo escrito, solicitud y/o documento dirigido a una Entidad o persona**) no es el mecanismo establecido por la ley para agotar este tipo de reclamaciones, ni mucho menos las suple, como quiera que existe un procedimiento especial y preferente para dicha diligencia.

Al respecto, la Corte Constitucional en la Sentencia T 467 de 1995 indicó:

“Cuando el objeto de la solicitud hace parte determinante de un procedimiento especial, previamente regulado en la ley y sujeto a ciertos trámites, requisitos y términos específicos, el peticionario está en la obligación de someterse a dicho trámite, sin que la administración se vea obligada a resolver el asunto de fondo a través de la petición requerida. La Administración no está obligada a contestar y, por el contrario, debe el actor someterse al procedimiento establecido en la ley, sin que ello signifique que la existencia de disposiciones procesales aplicables al caso concreto, dejen sin efecto el derecho de petición ejercido por el actor, ya que simplemente se trata de que su ejercicio debe someterse a unas reglas que distan de las ordinarias.”

Adicionalmente, es de exponer que su vinculación al proceso contravencional ocasionado por el comparendo **No. 11001000000035324468** y **No. 11001000000035489229** fue **en calidad de propietario del vehículo de placas QFM207** y no como conductor. Esto en virtud de las obligaciones de cuidado y vigilancia que el legislador le impuso en la Ley 2161 de 2021.

Es así que es necesario aclarar que, la sentencia de Constitucionalidad **C 038 de 2020** no invalidó el mecanismo de foto detección como herramienta para la detección de infracciones de tránsito, ni modificó el procedimiento contravencional previsto en el Código Nacional de Tránsito.

Incluso, es importante señalar que, a través de medios técnicos y tecnológicos, es admisible registrar una infracción de tránsito individualizando el vehículo, la fecha, el lugar y la hora, lo cual, constituye prueba suficiente para imponer un comparendo, así como la respectiva multa, de ser ello procedente; esto según lo normado en el parágrafo 2° del artículo 129 de la Ley 769 de 2002, el cual consagra que: *“Las ayudas tecnológicas como cámaras de videos y equipos de lectura que permitan con precisión la **identificación del vehículo o del conductor** serán válidos como prueba de ocurrencia de una infracción de*

tránsito y por lo tanto darán lugar a la imposición de un comparendo”. (negrilla del despacho)

Esta postura jurídica fue reiterada por el legislador en el inciso 5 del artículo 135 del CN.T.T., modificado por el artículo 22 de la Ley 1383 de 2010, y el inciso segundo del artículo 1 de la Ley 1843 de 2017 que cita:“(…) *Se entenderá por sistemas automáticos y semiautomáticos y otros medios tecnológicos a todas las ayudas tecnológicas como cámaras de vídeo y equipos electrónicos de lectura que **permitan con precisión la identificación del vehículo o del conductor**, de que trata el parágrafo 2o del artículo 129 de la Ley 769 de 2002 Código Nacional de Tránsito Terrestre*”. (negrilla del despacho)

La precitada normativa no exige la identificación facial del conductor como parece interpretarlo el peticionario, sino lo que requiere es la identificación precisa del vehículo o del conductor. Por tanto, tampoco puede entenderse como un requisito para la imposición de comparendos detectados de manera electrónica que se identifique a su conductor, sino que basta con la identificación del automotor, como acaeció en el caso de marras.

Adicionalmente, se explica al peticionario que la investigación contravencional iniciada en su contra no se efectuó por la presunta transgresión de las normas de tránsito en calidad de conductor, sino como propietario del vehículo involucrado en la comisión de la falta de tránsito, de conformidad con el artículo 10 de la Ley 2161 de 2021 y la sentencia C-321 de 2022 de la Corte Constitucional, es decir, por el debido cuidado y diligencia desplegados respecto del cumplimiento de sus obligaciones de resultado, *propter rem* o de medio que le son inherentes por su condición de titular del derecho de dominio sobre el vehículo.

Lo anterior, dado que el legislador expidió el artículo 10 de la Ley 2161 del 26 de noviembre de 2021, en el que impuso a los propietarios de vehículos automotores la obligación de “*velar*” porque sus rodantes circulen por el territorio nacional acatando y respetando las normas de tránsito vigentes, especialmente las relacionadas a transitar: **(i)** por lugares y en horarios permitidos, **(ii)** sin exceder los límites de velocidad, **(iii)** respetando la luz roja del semáforo y, asimismo, a **(iv)** adquirir el Seguro Obligatorio de Accidentes de Tránsito y **(v)** realizar la revisión técnico mecánica en los plazos previstos por la ley. Lo anterior, so pena de hacerse acreedores de las sanciones administrativas contempladas en el artículo 131 del Código Nacional de Tránsito modificado por la Ley 1383 de 2010 para cada una de esas faltas, previo cumplimiento del procedimiento administrativo contravencional de tránsito.

Esta normativa fue analizada por la Corte Constitucional en la sentencia C 321 del 14 de septiembre de 2022, en la cual, concluyó que la obligación de “*velar*” impuesta por el

legislador a los propietarios de vehículos automotores en la Ley 2161 de 2021 es una obligación de hacer, en la medida que exige una conducta positiva por parte del propietario consistente en cuidar que el rodante de su propiedad transite por el territorio nacional acatando las cinco condiciones reseñadas en el artículo 10 de dicha ley. Deber legal que tiene su origen en las obligaciones *propter rem*, puesto que se producen por su calidad de propietario del automotor como un elemento accesorio al derecho de propiedad.

Por tanto, el incumplimiento, por acción u omisión, de las obligaciones de cuidado, vigilancia y observancia que tienen los propietarios sobre sus rodantes, en lo relativo a los comportamientos descritos en el artículo 10 de la Ley 2161 de 2021, puede generar el inicio del procedimiento contravencional respectivo e implicar la imposición de las sanciones contempladas en el artículo 131 del C.N.T.T., como acaeció en el asunto bajo estudio.

En este sentido, **su solicitud de identificación del conductor resulta improcedente**, puesto que se deriva de una interpretación errada acerca de la aplicación de la sentencia C-038 de 2020 que, como se observó en párrafos precedentes, se refiere a la prohibición de imponer una sanción al propietario del vehículo solidariamente por la infracción cometida por el conductor, situación que no ocurre en este caso, ya que corresponde a una sanción directa, no solidaria, para el titular del derecho real de propiedad, vinculado por esa misma condición en virtud de las obligaciones de medio y de resultado y, por su desconocimiento culposo por omisión en su vigilancia, guarda y cuidado de conformidad con lo establecido en el artículo 10 de la Ley 2161 de 2021, el cual fue ampliamente analizado en la sentencia C-321 de 2022 por parte de la Corte Constitucional.

Corolario a lo anterior, la **SECRETARIA DISTRITAL DE MOVILIDAD** procede a emitir respuesta frente a su escrito de petición de la siguiente manera:

NUMERAL PRIMERO Y QUINTO:

En cuanto a su solicitud se le indica que este despacho dará respuesta su solicitud de conformidad a lo establecido en la Ley 1755 de 2015 que sustituyó los artículos 13 y siguientes de la Ley 1437 de 2011, por lo que se resolverá punto por punto de su solicitud y se hará un estudio integral de la misma

- **De la Revocatoria Directa del Comparendo**

No es posible acceder a la REVOCATORIA como quiera que, haciendo un análisis exhaustivo frente al caso en comento, la presente Autoridad de Tránsito observó que, el procedimiento adelantado por parte de esta entidad revistió de legalidad al haberse sujetado al ordenamiento jurídico que lo disciplina (C.N.T.T., Ley 1843 de 2017, por lo que no se materializó ninguna de las causales contempladas en el artículo 93 de la Ley 1437 de 2011 que establece:

“Artículo 93. Causales de revocación. Los actos administrativos deberán ser revocados por las mismas autoridades que los hayan expedido o por sus inmediatos superiores jerárquicos o funcionales, de oficio o a solicitud de parte, en cualquiera de los siguientes casos:

- 1. Cuando sea manifiesta su oposición a la Constitución Política o a la ley.*
- 2. Cuando no estén conformes con el interés público o social, o atenten contra él.*
- 3. Cuando con ellos se cause agravio injustificado a una persona.”*

Para el caso en concreto y surtida la notificación de las órdenes de comparendo de acuerdo con lo indicado por la norma, no se puede configurar la causal primera de la mencionada norma ya que no está siendo manifiesta su oposición a la Constitución Política o a la ley, en cuanto al segundo numeral, los comparendos fueron impuestos de acuerdo con lo normado y posterior a esto, el acto administrativo proferido que pone fin al proceso contravencional es individual, por lo que no se configura la segunda causal, en cuanto a la tercera causal, no se está causando un agravio injustificado, ya que no existió vulneración a lo descrito por el Código Nacional de Tránsito como una contravención al configurarse esta conducta, posterior a un proceso legalmente configurado, se generó los Actos Administrativos que pusieron fin cada proceso contravencional y, por tanto, no se configura ninguna de las causales expuestas en la ley.

Se niega su solicitud, considerando que, el procedimiento contravencional efectuado para el comparendo analizado se sujetó al ordenamiento jurídico que disciplina esta materia, toda vez que tanto la detección de la infracción de tránsito como la notificación de la orden de comparendo se ciñeron a los postulados legales contemplados en el artículo 137 del C.N.T.T. y en el artículo 8 de la Ley 1843 de 2017, así como en la Resolución No. 20203040011245 de 2020 expedida por la Agencia Nacional de Seguridad Vial y el Ministerio de Transporte que regula

la detección de infracciones de tránsito mediante Sistemas automáticos, semiautomáticos y otros medios tecnológicos para la detección de presuntas infracciones al tránsito (SAST).

En consecuencia, este Despacho no evidenció la existencia de ninguna irregularidad que viciara el proceso de notificación del comparendo estudiado ni la decisión adoptada por la autoridad de conocimiento respecto de la responsabilidad contravencional del peticionario que amerita la aplicación de la figura jurídica de la **REVOCATORIA DIRECTA**, por lo que es **improcedente la solicitud de RESTABLECIMIENTO DE TÉRMINOS**.

NUMERAL SEGUNDO:

En cuanto a su solicitud se le indica que este despacho dará respuesta su solicitud de conformidad a lo establecido en la Ley 1755 de 2015 que sustituyó los artículos 13 y siguientes de la Ley 1437 de 2011, por lo que se resolverá punto por punto de su solicitud y se hará un estudio integral de la misma

Se le informa que en las líneas precedentes encontrará la respuesta de fondo, clara e integra brindada en cuanto a sus pretensiones, conforme lo establecido en la ley 1755 de 2015 que regula el derecho fundamental de petición.

NUMERAL TERCERO:

En relación a lo solicitado en este numeral, es necesario manifestar, que la dirección a la cual se envió el Comparendo, fue la que tenía registrada para el momento de la comisión de la infracción:

La Secretaría Distrital de movilidad, tiene como objetivo primario garantizar el debido proceso de los administrados y dentro de esto respetar los principios rectores de legalidad y defensa, es por ello que se considera necesario exponer a la accionante en que consiste el debido proceso en materia administrativa, es así como la Honorable Corte Constitucional mediante su **Sentencia C 341 de 2014** establece:

(...) “La jurisprudencia constitucional ha definido el derecho al debido proceso como el conjunto de garantías previstas en el ordenamiento jurídico, a través de las cuales se busca la protección del individuo incurso en una actuación judicial o administrativa, para que durante su trámite se respeten sus derechos y se logre la aplicación correcta de la justicia” (...).

Ahora bien, para el caso en comento se hace importante precisar que, la presente Autoridad en aras de garantizar el derecho invocado por parte del peticionario, procedió a efectuar un análisis exhaustivo frente al proceso contravencional en razón al comparendo objeto de estudio evidenciando que, nuestra entidad actuó de conformidad a los parámetros establecidos en la **Ley 769 de 2002** y demás normas preexistentes que regulan en materia contravencional.

Este documento está suscrito con firma mecánica autorizada mediante Resolución No. 320 de diciembre 4 de 2020

De modo que, el procedimiento contravencional efectuado para el comparendo analizado se sujetó al ordenamiento jurídico que disciplina esta materia, toda vez que tanto la detección de la infracción de tránsito como la notificación de las órdenes de comparendo se ciñeron a los postulados legales contemplados en el artículo 137 del C.N.T.T. y en el artículo 8 de la Ley 1843 de 2017, así como en la Resolución No. 20203040011245 de 2020 expedida por la Agencia Nacional de Seguridad Vial y el Ministerio de Transporte que regula la detección de infracciones de tránsito mediante Sistemas automáticos, semiautomáticos y otros medios tecnológicos para la detección de presuntas infracciones al tránsito (SAST).

En consecuencia, este Despacho no evidenció la existencia de ninguna irregularidad que viciara el proceso de notificación de los comparendos analizados ni las decisiones adoptadas por la autoridad de conocimiento respecto de la responsabilidad contravencional del peticionario

NUMERAL CUARTO:

Se accede a su petición y se remite prueba de la tirilla de la empresa de mensajería certificada **Servicios Postales Nacionales – 472**, así como el soporte de notificación por aviso. De igual manera, se le informa al peticionario que puede consultar las notificaciones por **Aviso** en la página web de esta Entidad, a través del enlace: https://www.movilidadbogota.gov.co/web/comparendos_electronicos.

Bajo las anteriores consideraciones, se evidencia que no se ha vulnerado los derechos invocados por el peticionario, toda vez que se han seguido los actos y procedimientos establecidos en la Ley y los reglamentos, cumpliendo con las garantías reconocidas a los administrados, en el entendido que las notificaciones son inherentes al principio de publicidad que rige las actuaciones de la administración y constituyen los mecanismos idóneos para dar a conocer a los intervinientes las decisiones de la administración.

En este orden de ideas, no es procedente eliminar de las bases o sistemas de información de la Secretaría Distrital de Movilidad o del SIMIT la orden de comparendo analizada y se le extiende una invitación a ponerse al día con sus obligaciones contravencionales para lo cual se le informa que podrá realizar el pago del comparendo y quedar al día por concepto de multas a través del link a www.movilidadbogota.gov.co y seguir estos pasos:

RESOLUCIÓN No 199 DEL 2022-12-28
**"POR MEDIO DE LA CUAL SE ORDENA REALIZAR LA NOTIFICACIÓN POR AVISO DE
COMPARENDOS ELECTRÓNICOS"**

El Subdirector de Contravenciones de la Secretaría Distrital de Movilidad, en uso de sus facultades legales en particular las conferidas por el Decreto 567 de 2006 y la Resolución 340 de 2010, previo los siguientes:

I. CONSIDERANDOS

El artículo 135 inciso 5 de la Ley 769 de 2002 modificado por el artículo 22 de la Ley 1383 de 2010, regula lo concerniente a la detección de infracciones a través de medios técnicos y/o tecnológicos y la posterior imposición de la orden de comparendo respectiva.

En igual sentido el artículo 137 Ley 769 de 2002, contempla el envío de los comparendos electrónicos a la dirección registrada del último propietario del vehículo, en los casos en que la infracción es detectada por medios que permitan comprobar la identidad del vehículo o del conductor.

Ahora bien, el artículo 162 del Código Nacional de Tránsito señala la posibilidad de aplicar por analogía y compatibilidad las normas contenidas en el Código de Procedimiento Administrativo y Contencioso Administrativo que no se encuentran reguladas en el Código Nacional de Tránsito, en cuanto no fueren incompatibles y no hubiere norma prevista para el caso de análisis.

Así las cosas, en cumplimiento del artículo 69 de la Ley 1437 de 2011 Código de Procedimiento Administrativo y de lo Contencioso Administrativo se procederá a fijar la presente resolución junto con su respectivo aviso de notificación en la página web de la Secretaría Distrital de Movilidad y en un lugar público de las instalaciones de la entidad en su sede principal en Bogotá Calle 13 número 37-35 primer piso, teniendo en cuenta la imposibilidad de surtir la notificación personal.

Teniendo en cuenta lo anterior, la Secretaría Distrital de Movilidad a partir del 28 de Marzo de 2011, implementó el proceso de detección de infracciones de tránsito por medios técnicos y tecnológicos.

Razón por la cual, una vez remitidos los comparendos electrónicos generados a raíz del mencionado proceso, estos fueron devueltos por alguna de las siguientes causales: no existe (NE), rehúsa recibir (RH), cambio domicilio (CD), cerrado definitivo (CE), dirección incompleta (DI), destinatario desconocido (DD).

De acuerdo a lo expuesto, existen órdenes de comparendos que por tales causales, no pudieron ser entregadas a sus destinatarios, pese a haber sido remitidos en los términos de ley, en busca de garantizar el debido proceso, derecho a la defensa y contradicción, de los propietarios de los vehículos objeto de la imposición se procede a realizar el presente aviso de notificación, con la finalidad de garantizar a los implicados el acceso al procedimiento a los beneficios y/o descuentos establecidos en el Código Nacional de Tránsito y sus normas concordantes y reglamentarias.

Dicho aviso incluye a las personas naturales y personas jurídicas, razón por la cual en la casilla de número de identificación, se incluyen cédula de ciudadanía, extranjería, nit, tarjetas de identidad, de quienes figuren como propietarios de los vehículos que son relacionados. El presente listado será fijado por un término de (5) días hábiles luego de los cuales se considerará surtida la notificación al finalizar el siguiente día hábil a la desfijación del aviso. Este aviso comprende comparendos respecto de los cuales hubo reporte de gestión de correspondencia hasta el día

ALCALDÍA MAYOR
DE BOGOTÁ D.C.

Para la SDM la transparencia es fundamental. Reporte hechos de soborno en www.movilidadbogota.gov.co

Así las cosas, deberá tener en cuenta que la notificación esas órdenes de comparendos se entendieron surtidas a la terminación del día hábil siguiente a la des-fijación del aviso y, por tanto, a partir de allí empezaron a correr los términos de que trata el artículo 136 del C.N.T.T., modificado por el artículo 205 del Decreto 019 de 2012.

En cuanto a la notificación por otros medios como el correo electrónico o vía celular, se aclara que, esta no es obligatoria, toda vez que para la notificación de comparendos electrónicos existe un procedimiento especial y preferente señalado en el Artículo 137 de la Ley 769 de 2002 y el Artículo 8 de la Ley 1843 de 2017. Así mismo, el Artículo 56 de la Ley 1437 de 2011 establece que, para que se pueda surtir la notificación por correo electrónico debe existir una autorización por parte del interesado, razón por la cual para el caso de la notificación de comparendos electrónicos no se agota este tipo de notificación.

En consecuencia, una vez realizada la notificación del comparendo en debida forma al ciudadano (***ya sea de manera personal o por aviso***), este podía aceptar de manera libre, consciente y voluntaria la comisión de la infracción, mediante el pago de la multa respectiva y la realización de un curso pedagógico sobre normas de tránsito, o, en su defecto podía comparecer ante la autoridad de tránsito competente dentro de los términos legales e impugnar la orden de comparendo.

Notificado el ciudadano de la orden de comparendo, de acuerdo con lo expuesto anteriormente, se informa que, si su intención era controvertir la orden de comparendo impuesta, debió tener en cuenta el artículo 8° de la Ley 1843 de 2017, el cual le ordenaba presentarse ante la autoridad de tránsito competente dentro de los once (11) días hábiles siguientes a la notificación del comparendo.

Lo anterior, de conformidad con lo establecido en el Artículo 136 de la Ley 769 de 2022, modificado por Artículo 205 del Decreto 19 de 2012, que consagra lo siguiente:

***“Artículo 136 modificado por artículo 205 del Decreto 19 de 2012.
Reducción de la Multa. Una vez surtida la orden de comparendo, si el inculcado acepta la comisión de la infracción, podrá, sin necesidad de otra actuación administrativa:***

(...)

Si el inculpado rechaza la comisión de la infracción, deberá comparecer ante el funcionario en audiencia pública para que éste decrete las pruebas conducentes que le sean solicitadas y las de oficio que considere útiles.

Si el contraventor no compareciere sin justa causa comprobada dentro de los cinco (5) días hábiles siguientes a la notificación del comparendo, la autoridad de tránsito, después de treinta (30) días calendario de ocurrida la presunta infracción, seguirá el proceso, entendiéndose que queda vinculado al mismo, fallándose en audiencia pública y notificándose en estrados.

En la misma audiencia, si fuere posible, se practicarán las pruebas y se sancionará o absolverá al inculpado. Si fuere declarado contraventor, se le impondrá el cien por ciento (100%) de la sanción prevista en la ley.” (negrilla del despacho)

Así las cosas, considerando que el peticionario **NO** compareció en términos procesales ante la Autoridad de Tránsito para impugnar los comparendos objeto del presente requerimiento analizado, los funcionarios de conocimiento continuaron con el proceso administrativo sancionatorio respectivo y expedieron las Resoluciones Sancionatorias a través de la cual lo declararon contraventor de las normas de tránsito el señor **JOSE RAUL HERNANDEZ ORJUELA**, tal y como se puede evidenciar a continuación:

NUMERO DE COMPARENDO	FECHA DE COMPARENDO	RESOLUCION SANCIONATORI A	FECHA
110010000000 35324468	Del 15 de octubre de 2022	2431147	Del 16 de diciembre de 2022

6

Este documento está suscrito con firma mecánica autorizada mediante Resolución No. 320 de diciembre 4 de 2020

Cabe explicar que este Acto Administrativo sancionador fue notificado en estrados conforme al Artículo 139 del C.N.T.: *“la notificación de las providencias que se dicten dentro del proceso se hará en estrados”* quedando en firme y ejecutoriado el mismo día que se celebró.

Debe tener presente que la notificación en estrados está determinada por el Artículo 294 del C.G.P. como: *“Las providencias que se dicten en el curso de las audiencias y diligencias quedan notificadas inmediatamente después de proferidas, **aunque no hayan concurrido las partes**”*. (negrilla del despacho).

Corolario a lo anterior, la **SECRETARIA DISTRITAL DE MOVILIDAD** procede a emitir respuesta a sus pretensiones en los siguientes términos:

 EN RAZÓN A LO SOLICITADO EN SU ESCRITO DE PETICIÓN NOS PERMITIMOS EXPONER LO SIGUIENTE:

1. “FRENTE A SU SOLICITUD DE CADUCIDAD, SE LE INDICA LO SIGUIENTE”:

Se niega esta pretensión, en la medida que la secretaria Distrital de Movilidad si emitió una decisión de fondo respecto de cada la infracción endilgada en la orden de comparendo objeto de estudio, actuando de conformidad a lo establecido en el **artículo 161 de la Ley 769 de 2002 modificado por el artículo 11 de la Ley 1843 de 2017**, la cual nos permitimos relacionar a continuación:

“ARTÍCULO 161. CADUCIDAD. *La acción por contravención de las normas de tránsito, caduca al año (1), contado a partir de la ocurrencia de los hechos que dieron origen a ella. En consecuencia, durante este término se deberá decidir sobre la imposición de la sanción, en tal momento se entenderá realizada efectivamente la audiencia e interrumpida la caducidad.*

La decisión que resuelve los recursos, de ser procedentes, deberá ser expedida en un término de un (1) año contado a partir de su debida y oportuna interposición, si los recursos no se deciden en el término fijado en esta disposición, se entenderán fallados a favor del recurrente.

Finalmente, resulta evidente que no procede para el caso en comento la caducidad como quiera que, frente a la orden de comparendo, estas fueron resueltas de fondo dentro del año siguiente a la ocurrencia de los hechos que dio origen a los procesos contravencionales.

Así las cosas, considerando que los hechos objeto de investigación acaecieron en las fechas del **15 de octubre de 2022 y 25 de noviembre de 2022**, y teniendo en cuenta que las Autoridades de Conocimiento emitieron Actos Administrativos de fondo dirimiendo la responsabilidad contravencional al señor **JOSE RAUL HERNANDEZ ORJUELA**, mediante las Resoluciones:

RESOLUCION SANCIONATORIA	FECHA
1083978	Del 29 de mayo de 2023
1304418	Del 18 de junio de 2024

Es diáfano que, entre las Resoluciones sancionatorias y los hechos, no transcurrió el año que contempla la ley para que opere el fenómeno de la **caducidad**, por lo que esta pretensión es improcedente.

2. “DE SU SOLICITUD DE LOS PERMISOS AUTORIZADOS POR LA SEPERINTENDENCIA DE TRANSPORTE, Y LA CALIBRACIÓN DE LAS CAMARAS”

Se accede a su solicitud, y se adjuntad al presente escrito de respuesta.

3. “FRENTE A SU SOLICITUD DE ACTUALIZACION Y DESCARGUE DE LOS COMPARENDOS”

Este documento está suscrito con firma mecánica autorizada mediante Resolución No. 320 de diciembre 4 de 2020

8

No es posible acceder a su solicitud de descargue y de la actualización de las bases de datos SIMIT y/o registros electrónicos, es de anotar que las plataformas y sistemas de información del RUNT y la plataforma SIMIT, si bien es cierto, es alimentado por parte de la Secretaría Distrital de Movilidad, esta se limita al reporte de la información interna como lo exige la Ley frente a las órdenes de comparendo que son canceladas o hasta que se decida la situación contravencional a favor del ciudadano, como quiera que frente al caso en comento, la peticionaria fue declarada contraventor de las normas de tránsito y a la fecha no se registra pago alguno frente a la orden de comparendo objeto de estudio, no es posible acceder a lo requerido por parte del accionante.

Bajo las anteriores consideraciones, se evidencia que no se ha vulnerado los derechos invocados por el peticionario, toda vez que se han seguido los actos y procedimientos establecidos en la Ley y los reglamentos, cumpliendo con las garantías reconocidas a los administrados, en el entendido que las notificaciones son inherentes al principio de publicidad que rige las actuaciones de la administración y constituyen los mecanismos idóneos para dar a conocer a los intervinientes las decisiones de la administración.

Se le recuerda que para la **DESANOTACIÓN** en el **SIMIT** de los comparendos objeto del presente requerimiento, usted puede realizar el pago del mismo, ingresando a la página web www.movilidadbogota.gov.co en el botón de consultas de comparendos y verificar la información. En el mismo sitio, la Secretaría Distrital de Movilidad, para facilitar el pago de forma electrónica, habilitó el pago a través de enlace de **PSE** (Pagos Seguros en Línea), donde se puede liquidar y cancelar el valor en los siguientes pasos:

1. Ingrese a www.movilidadbogota.gov.co
2. Acceder al botón de consulta de comparendos, ingrese su tipo de documento y número respectivo, más el código de seguridad hacer clic en buscar.
3. El ciudadano debe ingresar a la carpeta "pagar en línea detalle" y el sistema arrojará la opción de pago con descuento, en aquellos casos en que aplique.

4. El sistema arrojará el valor con el descuento o sin este y se debe dar clic en el botón pagar comparendo.
5. La página mostrará el resumen del pago en su totalidad y después de digitar el código de seguridad, se debe dar clic en continuar.
6. Por último, se direccionará a la página de la Entidad Financiera, recuerde habilitar las ventanas emergentes y seguir los pasos.

De esta manera damos respuesta y esperamos que la misma haya satisfecho su requerimiento. Recuerde que, ante la entidad para trámites o servicios, no es necesario acudir a tramitadores o intermediarios.

Cordialmente,

Patricia Amado Bautista

RESOLUCIÓN No 195 DEL 2022-10-28
**"POR MEDIO DE LA CUAL SE ORDENA REALIZAR LA NOTIFICACIÓN POR AVISO DE
COMPARENDOS ELECTRÓNICOS"**

El Subdirector de Contravenciones de la Secretaría Distrital de Movilidad, en uso de sus facultades legales en particular las conferidas por el Decreto 567 de 2006 y la Resolución 340 de 2010, previo los siguientes:

I. CONSIDERANDOS

El artículo 135 inciso 5 de la Ley 769 de 2002 modificado por el artículo 22 de la Ley 1383 de 2010, regula lo concerniente a la detección de infracciones a través de medios técnicos y/o tecnológicos y la posterior imposición de la orden de comparendo respectiva.

En igual sentido el artículo 137 Ley 769 de 2002, contempla el envío de los comparendos electrónicos a la dirección registrada del último propietario del vehículo, en los casos en que la infracción es detectada por medios que permitan comprobar la identidad del vehículo o del conductor.

Ahora bien, el artículo 162 del Código Nacional de Tránsito señala la posibilidad de aplicar por analogía y compatibilidad las normas contenidas en el Código de Procedimiento Administrativo y Contencioso Administrativo que no se encuentran reguladas en el Código Nacional de Tránsito, en cuanto no fueren incompatibles y no hubiere norma prevista para el caso de análisis.

Así las cosas, en cumplimiento del artículo 69 de la Ley 1437 de 2011 Código de Procedimiento Administrativo y de lo Contencioso Administrativo se procederá a fijar la presente resolución junto con su respectivo aviso de notificación en la página web de la Secretaría Distrital de Movilidad y en un lugar público de las instalaciones de la entidad en su sede principal en Bogotá Calle 13 número 37-35 primer piso, teniendo en cuenta la imposibilidad de surtir la notificación personal.
